Agenda

Last Meeting Follow-up

1. We are an established non-profit. YAY!
2. We have over \$3500 in local and regional sponsorship for our youth awareness event.
3. We have established a relationship with our local Joanns Fabrics store and have delivered over 80 healing bundles of art to our local advocacy center. They are very well received.

New Business

1. Private money donations- Jues and a family foundation out of Ouray.
 2. Grants applied for -Local San Juan Health Care Foundation-Robyn Funk -\$10,000, they review applications beginning of each month. By mid August we should know.
 3. We are on target with our timeline for Silent Disco DP.
 4. Marketing for show- Rec center is putting out flyer online by this wednesday and I am going to do a facebook/instagram marketing push. I have also been attending local youth organizations car washes and our Faultless youth group have canvassed twice down our main street. I have also been at Ridgways Thursday July concert series from 5- 9pm with the MEND Group.
 5. Quick Books has been set up. I am paying myself \$500 twice a month. Total of \$1000 monthly.
 6. Haven House is reviewing Prevent360 education bundles and hopefully will be implementing education by Jan 1 2023.
-

7. I meet up with Maslow Academies executive director this coming week to share Prevent 360 with them for possible implementation.
8. Last discussion with Montrose School District, executive program Director, Jessica Beller is that this is being reviewed and they have rehired health teachers to start this school year that would possibly be teaching the education.
9. Spoke with Don Coram at the Bridges 2 weeks ago and he said he will update his successor (I don't recall his name) about the statute and introduce him to me in the next few months.
10. Have brannnas bananas and polar express coming to SDP for kids to
11. Working with go big banners for a logo banner (full) for pop up tent and one side will be a logo and other will be for teenagers to write on question on the back would be.. what do you love about ur community or what change do u want to see I'm your community? Or what is ur superpower?
